Subject: DECLARATION OF CONFORMITY TO REACH REGULATION (EC) No. 1907/2006

Company RACORD di Saleri Roberto e Beatrice sas, C.F. 00217150176, P.iva 00545820987, Via Statale, 7/9 – 25060 Tavernole sul Mella (BS) – Italy

DECLARES

that the copper alloys used for the manufacturing of our products contain the substance Lead (Pb) included in the list of SVHC substances (Substances of Very High Concern) from 27/06/2018 in concentrations even higher than 0.1% w / w.

Substance	CAS / EC	List	Inclusion date
Lead (Pb)	CAS: 7439-92-1 EC: 231-100-4	SVCH	27 june 2018

Furthermore, RACORD declares that we are not directly involved in what the Regulation provides regarding the registration procedure for chemical compounds as we are not a producer of substances or preparations, but only a user and these substances are purchased from Companies in compliance with the Regulation above described.

In case of inclusion of new substances contained in its products in the list, the company will promptly inform its customers.

RACORD declares that we constantly monitor the insertion of new substances at the list <https://echa.europa.eu/candidate-list-table> which last updating is from 14/06/2023. In case these substances would be included at the articles supplied by us, we will promptly inform our customers.

As requested from Directive (UE) 2018/851 RACORD provided the information of the SCIP database for the articles containing substances SVCH in concentrations even higher than 0.1% over the weight.
